

Business at the Next Level

Business is challenging and companies need all the help they can get to create sustained growth over the long haul. The Oregon Small Business Development Center Network (OSBDCN) recognizes this and has assembled teams of highly experienced business advisors who can help assess your current business and provide the tools to create sustained growth. The program, called Grow Oregon, is an Oregon Business Development Department initiative administered by OSBDCN. This opportunity is not for every business, but targeted toward those companies that have created a measure of success and need strategic resources to get them to the next level. Below are the criteria to be considered for this exclusive opportunity:

- Oregon traded-sector company*
- \$1,000,000 to \$50,000,000 annual gross sales
- 10 – 99 employees
- Demonstrated growth in gross sales, net profit or net employment in three of the last five years

If you meet these qualifications, your business qualifies for specialized services in these areas:

- Strategic needs assessment
- Advanced market research and analysis
- Digital media assistance
- Search engine optimization guidance
- CEO networking/mentoring

Additional services include:

- Business planning
- Financial analysis
- Debt and equity financing assistance
- Export assistance
- Government contracting assistance

If you qualify, contact your Grow Oregon team at groworegon@bizcenter.org.

If you are not a fit for Grow Oregon, we have other opportunities available.

* Defined within Grow Oregon as “businesses that do not compete primarily in a local or regional market or transact business primarily with household consumers. However, a business that only supplies a local or regional, non-retail market could be a Traded-Sector business if exposed to competition from outside suppliers or rivals that offer the same or substitutable goods or services.”
